

**Cardiology Diagnostic Solutions Ltd in partnership with Circle Health Group**

A unique opportunity has arisen within a private healthcare setting to join our small, friendly team providing exceptional high-quality cardiology diagnostic services across two sites in South East London and Croydon.

We are looking for two flexible, highly motivated individuals with experience in a broad range of cardiac procedures including echocardiography. You should have current BSE or equivalent accreditation and ideally be fully competent in the performance and interpretation of ECG Exercise Tests and ambulatory ECG analysis.

**Positions**

- x2 Full-time Cardiac Physiologists
- Located at The Blackheath Hospital, London or Shirley Oaks Hospital, Croydon.

A job share arrangement or part-time hours will also be considered  
Full-time salary £65,000pa

**Benefits**

- Flexible working
- Comprehensive private medical insurance
- Company contribution pension scheme
- 25 days paid annual leave (plus bank holidays)
- Continuing professional development
